

The screenshot displays the Gogo Inflight Internet website. The header features the Gogo Inflight Internet logo on the left and navigation links (CONNECT, COVERAGE, ABOUT GOGO, SIGN IN, CREATE ACCOUNT, LIVE HELP) on the right. The main section is titled "Participating Airlines" and lists several airlines, with Delta highlighted. To the right, a detailed section for Delta includes the slogan "The sky is no longer the limit," a description of service availability, and a list of Gogo Equipped Aircraft models. A Wi-Fi Onboard icon is also present.

Participating Airlines

- AIR CANADA
- AirTran
- Alaska Airlines
- American Airlines
- DELTA**
- FRONTIER
- UNITED
- U.S. AIRWAYS

Delta

The sky is no longer the limit.

Gogo InFlight Internet access is available on more than 2000 flights a day on Delta's domestic fleet and available on more than 500 aircraft. Additional information about staying connected while on Delta can be found at delta.com/wifi

Gogo Equipped Aircraft

Look for this symbol onboard equipped aircraft.
