

The image is a promotional banner for Gogo Inflight Internet on Alaska Airlines. It features a light blue background with a white central panel. At the top left is the Gogo Inflight Internet logo, and at the top right is the Alaska Airlines logo. The main headline reads 'TAKE OFF & LOG ON'. Below this is a dark blue pill-shaped button with the text '—\$7.95— FREE MOBILE FLIGHT PASS' and a Wi-Fi icon. The text 'Gogo® is giving First Time Customers FREE Inflight Internet for a limited time.' is displayed in green. Below that, a paragraph says 'Have a connecting flight? Frequent flier? We've got options to suit your needs.' There are two call-to-action buttons: '→ VIEW ALL GOGO® FLIGHT PASS OPTIONS' and '→ WI-FI ROAMING PARTNER SIGN IN', both in blue text with a dark blue arrow icon.
